What People are Saying about Our Chamber of Commerce:

“As both a new resident to the state of Michigan and a new employee to Personalized Hearing Care, Inc., the Kensington Valley Chamber of Commerce has been a lifesaver over the past two months. I have felt so welcomed and embraced by the friendly members of the Chamber. I already feel included in the group, which is so important to any independent business when interacting with the community.”

– Kerri J. Hudson, Au.D., Practice Marketing Representative, Personalized Hearing Care, Inc.

“The Kensington Valley Chamber of Commerce has been a major business resource and asset to the team here at Apple Graphics and Printing. Not only have we gained great exposure, we get to meet new business contacts, exchange ideas, strengthen existing relationships and continue to strive for the success and growth of our fellow chamber members. This organization is positive, supportive, and a great connection to our community. Becoming a chamber member was a great decision for us!”

– Kari Olesuk, Apple Graphics and Printing

“The Chamber board and staff are one of the most dynamic and engaged that we have had in a long time. They are a driving force determined to create success for each and every Chamber Member.”

– Troy Powe, WonderJump

“The Chamber offers great marketing and networking opportunities to grow your business with the added bonus of having fun while you are doing it!”
